

Solutions for...Newspapers  
and Publishers

Please use the contact us form below if you'd like to arrange a demonstration of Fizz.im services in this area. Fizz technology is currently used to serve documents, media and digital assets for companies such as the Guardian News and Media as well as providing digital asset for Orange\Everything Everywhere. Please access the Fizz Library home page for further details on the tools available and access the most popular features from the Other Solutions below.
